

# Weekly Roundup

## 29th September 2023

**What a great week we have had!**

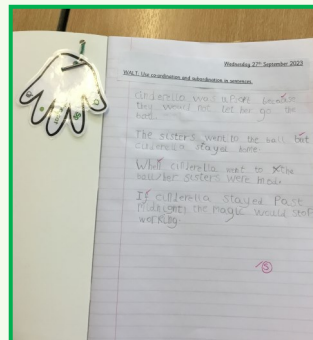

### A message from Mrs Pocock

What a fantastic term 1 we are having at Banwell! The school is looking fantastic as are all of the children in their smart, new uniforms. I would like to take this opportunity to welcome all of the new families who have joined us this term. Our reception children have settled very quickly into school life and it is an absolute delight to see them enjoying their time in school.

### A big welcome back to Mr Venn!

Mr Venn will be sharing the upper key stage 2 teaching assistant post with Mrs Hackeson. This arrangement will be reviewed at the end of term 2.

### Happy Birthday Mrs Pocock!

This week we joined with Mrs Pocock as she celebrated a special birthday on Monday.

### Congratulations to our Y3/Y4 football team!

"We played five games, won all five of them and the team scored 21 goals in the process. We only conceded three. What a performance and they really worked well as a team. Great resilience and effort from all of the boys.

Thanks has to go out to Mrs Parker for taking the team" - Mr Farmer

Many thanks to governor Margaret Pemberton for the donation of some lovely new books to our school library.
