Dear Parents/Carers,

As your child is in Year 4, they will be taking part in the annual multiplication tables check (MTC). This is a statutory test for all Year 4 pupils. The purpose of the check is to determine whether your child can fluently recall their times tables up to 12, which is essential for future success in mathematics.

It is an on-screen check consisting of 25 times table questions. Your child will be able to answer 3 practice questions before taking the actual check. They will then have 6 seconds to answer each question. On average, the check should take no longer than 5 minutes to complete. There is no pass mark for this check but your child's teacher will share their score with you. Your child will be doing the MTC between Monday 2 June and Friday 13 June.

Using Times Tables Rock stars each day for 10 minutes will be a great help to your child. If you wish for your child to practice further, scan the QR code or click on the link below and this will take you to the MathsFrame.co.uk website where your child can familiarise themselves with what the MTC will actually be like.

If you have any further questions, please do not hesitate to speak to your child's class teacher.

Kate Evans

Assistant Headteacher
