

Dear Parents / Carers,

For the first three weeks of school, we are focusing on an art project with the theme "Under the Sea". In Starfish Class we are using an artist called Bonnie Steward as our inspiration. Bonnie Steward creates her art by going on beach cleans and collecting as much litter as she can find, using the litter to create fantastic pieces of art (you can see some examples of her work below). In order to help us to recreate these pieces of art as best we can, we are asking for "clean litter" donations. By this, I mean items such as newspapers, magazines, cereal boxes, crisps / chocolate wrappers that are clean inside, cardboard, coloured bags / paper, netting from around fruit, pieces of rope.

If anybody would be able to bring any of the items listed above into school, we will be starting our collaging of the pictures around Wed 11th September and we would very much appreciate any items you may have at home.

Thank you in advance,

Kind regards,
Miss Dockerty.
