11 September 2025

Dear Parents/Carers,

In Year Six this year we will be doing homework slightly differently. For homework, I am asking the children to read a book (from school or home) five times a week from Thursday to Thursday. In addition to this, I want them to complete a piece of reading work on our class Padlet.

Every week I will set the class an activity to reflect on their reading or discuss questions about reading. This should be a fun way to hear what the children are reading and share with the class the books they are reading. I will share the URL or a QR code with the children, on the class page or on the school newsletter to help the children access the Padlet.

This week's URL is: <https://padlet.com/matthewfarmer2/foxgloves-term-1-week-2-tn7o105lu5212syz>

For maths homework, I want the children to practise their focused times tables five times a week using Times Table Rockstars. They should have been given their login details and I look forward to seeing their progress on this site.

If you have any questions relating to homework in Year Six, please see me to discuss how to best support your child.

Kind regards.

Mr Farmer
