Introduction

Welcome to North Somerset Council's Parents' Guide for applying for a school place in Reception ('Starting School') or Year three ('Transfer to Junior School'). This document contains details about the different types of schools in North Somerset and their [Admission Arrangements](#). It also includes information on North Somerset Council's [Home to School Transport](#) policy.

Starting school is one of the most important milestones in every child's life and to help you decide which school(s) to apply for you can arrange for a tour of the school(s) and view their website and their [Ofsted](#) report.

Not all schools in North Somerset can offer a place to each applicant. Every school is required to publish their 'Oversubscription Criteria' which is used to decide which children can be offered a place and which children cannot. The [Reception intake admissions](#) section and [Year three intake admissions](#) section of this document contain details of allocations and appeals for the previous five years.

We recommend that you read the following documents in conjunction with this guide:

- [Primary Coordinated Admissions Scheme 2026-27](#) which contains important dates, information and definitions.
- [School Admissions Code](#) which all Admissions Authorities in England must adhere to and which is produced by the Department for Education (DfE).

All applications **must** be submitted to your Home Council by 15 January 2026.

Coordinated Admissions Scheme

Your application **must** be made to your home Local Authority, regardless of where the school is located.

Councils are required to coordinate admissions for all schools within their area. This means they **must** publish Admissions Arrangements for all publicly funded schools.

Councils outside North Somerset will send us details of applications for our schools and we will send details of school preferences outside of our area to the relevant Local Authority.

For details of the Oversubscription Criteria of schools in other Councils' please check the relevant school or [Council's website](#).

North Somerset Council's Coordinated Admissions Scheme can be found on [our website](#).

Pupil Projections for North Somerset Council

Every year North Somerset Council is required to produce pupil projections that forecast the number of school places required.

The full breakdown of the Pupil Projections for North Somerset Schools is available on our [website](#).

How to Apply for a School Place

All completed applications **must** be submitted by 11.59pm on 15 January 2026 to be considered as an On Time application.

It is your responsibility to provide all the relevant details to your child's application.

You can either apply [online](#), or by using a [paper application form](#).

Applications are not treated on a "first come, first served" basis, but are considered in line with the [equal preference system](#) and in accordance with each school's [Admissions Arrangements](#).

You can apply for places at schools in other Councils, but you **must** do so using a North Somerset application. When making your application, you should check with the school, or it's Council, to see if any additional documents such as [Supplementary Information Forms](#) are required and how and when to submit them.

If your child's surname has changed at any time, complete the form using your child's legal name and include the appropriate legal documentation.

Also consider how your child will get to school when making your preferences, it can be helpful to read the [Home to School Transport](#) policy.

The [Reception](#) and [Year Three](#) sections of this guide have allocation information for the previous five years that you may find useful.

If you are applying from abroad, please read the following guidance:

www.gov.uk/guidance/schools-admissions-applications-from-overseas-children

Applying Online

We would advise you to familiarise yourself with the [online application system](#) **before** the National Closing Date, if you have any queries please allow ten working days for an emailed response.

If you live in North Somerset, you **must** complete your application using the North Somerset application system.

You only need to complete a paper application or apply online, you do not need to do both.

A step by step guide on how to use the [online application system](#) is available on our [website](#).

You can access the [online application system](#) via our [website](#) until 11.59pm on 15 January 2026. Please note that there are a few occasions when the system needs to back-up and it might not be available.

If you need advice or assistance with completing your application, please read the [step by step guide](#) before [contacting us](#). We will try to resolve any problems you have with online applications, but we cannot provide detailed technical support.

Once you have completed your application, please ensure that you click the 'Submit' button.

Once you have submitted your application, you will be sent an email acknowledging that we have received your online application and confirming your preferences.

Your email notification is your proof that you have made your application. If you do not receive this email and have checked your junk/spam emails, you should assume your application has not been received, please log back into your account, check your application is complete and press 'Submit'.

To prevent emails from the online application service going into your spam or junk folders please add the email address eduadmissions.online@n-somerset.gov.uk to your list of approved senders. Please note that this is an unmonitored account, so do not reply to this email address.

You can make changes to your preferences up to 11.59pm on the National Closing Date, **but make sure you click the 'resubmit' button on your application**. You will receive another email to confirm it has been resubmitted.

We **must** receive your final applications by 11.59pm on the National Closing Date. Unsubmitted applications or preferences cannot be considered.

You will receive an email notification with the result of your application on National Offer Day, which will contain your outcome, information on the options available to you and how and when to respond.

Paper Applications

Paper applications can be downloaded from our [website](#).

You only need to apply once, if you apply more than once only the most recent submission will be considered.

Complete the form as fully as possible, any missing or incorrect details could affect the outcome of

your application.

Return your paper application by email or post before the National Closing Date. We recommend that you obtain independent proof of postage, such as recorded delivery.

When emailing School Admissions, you should receive an automated confirmation email. If you do not receive this email and have checked your junk/spam emails, please [contact us](#).

If you wish to change anything after you have submitted your paper application, you will need to submit a new application form. This will replace your existing application.

If you apply On Time but your application is incomplete, we can contact you to request the outstanding information. If the required information/documentation is not provided by the date specified, the application might not be considered in the first round of allocations.

If you provide an email address on the application, your outcome will be emailed on National Offer Day. If you do not, an outcome letter will be posted to you on National Offer Day (16 April 2026) by second class post and can take several days to be delivered.

Late Applications

If your application is a 'late' application, which is one received after the National Closing Date, we would expect that most schools will be full and it is unlikely that we can offer you a place at any of your preferences. This applies even if you already have a sibling at your preferred school, or you live very close to it.

Our [online application system](#) cannot accept any applications after 11.59pm on the National Closing Date.

Late applicants will only be able to apply using a [paper application form](#) and will be informed of the outcome of their application after the [next allocations round](#).

Who can Apply

Children born between 1 September 2021 and 31 August 2022 can apply for a place in Reception Year at Infant, First, and Primary schools in 2026-27.

Children born between 1 September 2018 and 31 August 2019 can apply to Transfer to Junior schools in September 2026-27.

Applications will be accepted for children who meet one or more of the following:

- UK residents
- British Citizen Passport holders
- are from countries whose passports have been endorsed to show that they have the [right of abode](#) in this country.

Those who live outside of England and wish to attend a North Somerset school should apply directly to us.

For children in care to the Local Authority, the application **must** be completed and submitted by the child's social worker.

Applications **must** be made and signed by a person with [Parental Responsibility](#) for the child.

Closing date for applications is 11.59pm on the National Closing Date, 15 January 2026

Parental Responsibility

Parental Responsibility is defined under the Children Act 1989 as being all the rights, duties, powers, responsibilities, and authority which, by law, a parent of a child has.

People who have Parental Responsibility are:

- The child's mother, who always has Parental Responsibility unless the child has been adopted.
- The child's father (if married to the child's mother at the time of the child's birth or any time afterwards, or is listed on the child's birth certificate)
- The child's unmarried father can acquire Parental Responsibility by:
 - Entering into a formal documented agreement with the mother in a manner prescribed by law i.e. a Parental Responsibility Agreement
 - Making a successful application to the Court for a Parental Responsibility Order
 - Being appointed the child's guardian by the Court or by the child's mother in her Will –For children's births registered on or after 1 December 2003 – by registering the father's name on the birth certificate.
- The child's adoptive parents
- The child's guardian (appointed under a Will)
- Any person who has a Child Arrangements Order which states the child must reside with them (NB Parental Responsibility will only last for the continuance of the order). This includes those with a pre-existing Residence Order, (which is now known as a Child Arrangements Order).
- The Local Authority, if a Care Order is in force in respect of that child.
- A step parent either by:
 - Agreement with both parents
 - Court Order
 - Adoption

If you are the applicant and do not have Parental Responsibility, you must attach a letter from a person with Parental Responsibility, granting you the authority to make the application on their behalf and giving a brief explanation as to the circumstances. It will help if you add additional supportive evidence to the letter. We will consider your request and inform you of the outcome.

If two people share Parental Responsibility and both submit an application, we will ask you both to determine which application we should consider, and which application should be withdrawn.

If you are unable to reach an agreement between you and you do not have a Court Order securing residence with one parent/carer, the decision as to which application should be accepted will be determined by the North Somerset Schools Admissions Team drawing lots. Whichever application is accepted, the address where the child spends the majority of their time will be the one considered as to be the home address.

We cannot resolve disputes between parents, this must be resolved between yourselves or through the court process.

Home Address

The address on the application form must be where the child is **currently** living. Applications found to be fraudulent will likely lead to the withdrawal of any place offered.

Child's Home Address

We consider the child's home address to be the place where the child is currently living for the majority of the time.

An address used for childcare arrangements cannot be used as the home address, this includes addresses which belong to a family member. We will not accept an address for a child which is different from their parents and expressly linked to obtaining a school place.

If parents do not live together, and the child spends equal amounts of time with both parents, we will consider the home of the parent who made the application to be the child's home address.

We will not accept more than one address as the child's home address. If necessary, the terms of an Order which deals with the matter of residency will clarify the home address.

We reserve the right to seek more documentary evidence to support any claim of residence. Additionally, we may carry out home visits without prior notice to verify the child's home address.

Proof of Address

Any offer of a school place based on where your child lives is conditional on your child living at that address on the National Closing Date.

After the National Closing Date, we will check the address on your application against the records the Council holds for the applicant and the child. We can ask you to provide proof of your address.

We will investigate any applications where there is doubt about the address being given.

Fraudulent applications are likely to lead to the withdrawal of any place offered, even after your child has started at a school.

If you cannot provide proof of address before the National Deadline, we will not be able to consider your application in the first round of allocations. If your preference school is already full, we will allocate a place at the nearest school to your home address with a place available.

Moving House

If you move address after applying for a school place, you **must** provide proof of your new address.

If you change your address, you should inform us immediately. Your place could be withdrawn if you do not.

If you are going to move after the National Closing Date and you can provide independent confirmation of this before 11.59pm on the National Closing Date, we will consider your new address in the first round of allocations.

Examples of independent confirmation that could provide us with proof of address include:

- a solicitor's letter confirming the exchange of contracts **with** a completion date.
- a tenancy agreement signed by both parties.
- a utility bill dated within three months prior to submission.

If you are moving in with a friend/relative/partner, they must write to us confirming the situation, this can be included with your application, along with proof of their address. We would also need proof that you are leaving your current address, such as notice to quit the tenancy or proof that your property has sold.

If the child is from a family of a Crown Servant or of UK Service Personnel, we will accept a letter from the MOD, FCO or GCHQ declaring a return date and residency area.

Occasionally, we will ask you to provide proof that you have left your previous property, for example by supplying a final account utility bill, or a Notice to Quit to tenants.

If you are moving out of North Somerset and into another Council area, then your new Home Council will then process the application and notify you of the outcome.

Fraudulent Applications

If a child obtained a school place based on fraudulent or intentionally misleading information, we can withdraw an offer of a school place.

It is important that all information listed on your application is correct and up to date. If you move address but do not inform us, this could lead to an incorrect outcome and the withdrawal of any place offered.

If we are notified of a potential fraudulent application, or if there is any evidence to imply that the information submitted on an application is fraudulent, we will investigate.

Your application will then be considered again during the next round of allocations using the correct information.

If you believe that a fraudulent application has been made, please contact us. Any information received will be treated in total confidence and your identity will not be divulged.

Preferences

You can name up to three school preferences on your application form, but we cannot guarantee an offer at any of these schools.

Complete the form using the schools you prefer in numerical order. Do not include private, Independent or Special Educational Needs Schools.

We recommend that you use all three preferences to increase your chances of being offered a place at a school you would prefer your child to attend.

If you only add one preference and we are unable to offer this school, we will allocate the school closest to the home address with a space available, this could be anywhere in North Somerset. Do not list the same school three times.

You must apply for a school in order to be considered for a place there.

When you are choosing your school preferences, please take into account how your child will get to school. You could look at the [Home to School transport policy](#) to see if you qualify for free travel assistance.

Equal Preference System

Applications for all schools are considered under an 'equal preference system'. This means that all your preferences are considered equally against the Oversubscription Criteria for the school(s).

If your child qualifies for a place at more than one of your preferences, we will offer the highest preference possible.

Preference Reasons

You may give reasons on your application form for your preferences, but all allocations **must** be made in accordance with the [Oversubscription Criteria](#) for each of the schools. This means that only reasons that fall within the school's Oversubscription Criteria can be taken into account.

Changing Preferences

Before the National Closing Date

You can change your preferences, up until 11.59pm on the National Closing Date.

Once you have submitted your change of preferences you will be sent an email acknowledging that we have received your online application and confirming your change of preferences. Your notification by email is your proof that you have changed your preferences. If you do not receive this email and have checked your junk/spam emails, you should assume your change of preferences have not been received, please log back into your account, complete and resubmit your application.

You can return your paper application by email or post, by the National Closing Date. We recommend that you obtain independent proof of postage, such as recorded delivery.

After the National Closing Date

Any changes to preference(s) after 11.59pm on the National Closing Date will be processed during subsequent allocation rounds.

If you are moving home, please refer to the [Home address – Moving house](#) section.

After National Offer Day

The new application will be treated as a late application and considered in the next round of allocations.

We cannot guarantee that your new application will be successful, this will depend on the availability of places.

If we can offer a place from the new application, any school place already offered or accepted will automatically be withdrawn and your original offer may be allocated to another child.

Supplementary Information Forms

The following schools have Supplementary Information Forms for those who are applying under a specific criterion. These can be found within the relevant school Admissions Arrangements, which are linked below, and in [Appendix A – Supplementary Information Forms for Schools in North Somerset](#) at the end of this guide.

- Bournville Primary School
- Dundry C of E Primary School
- Locking Primary School
- Oldmixon Primary School
- St Anne's Church Academy
- St Francis' Catholic Primary School
- St Joseph's Catholic Primary School
- Tickenham Church of England Primary School
- Windwhistle Primary School

The following Primary schools require additional evidence for those who are applying under specific criteria:

- Christ Church C of E Primary School
- Corpus Christi Catholic Primary School

For more information, please see the Admissions Arrangements, on the school's website, or contact the school directly.

Supplementary Information Forms and additional evidence for the above schools **must** be submitted directly to the school and not to North Somerset Council.

Outcome of Application

If you submitted a fully completed application on time, then we will make an offer of a school place to you on National Offer Day, 16 April 2026.

If you applied [online](#), you can log into the online application system from midnight on National Offer Day to view the result of the application. An email will also be sent to you with the details of your offer.

If you applied on a paper application form, and provided an email address, your outcome will be emailed. If you did not **provide an email address**, letters will be sent by second class post, on the National Offer Day, and may take several days to arrive. Important information is included so please wait for the letters to arrive.

You **must** respond to the offer of a place to us by 30 April 2026. The offer can be withdrawn if we do not receive a response.

It is **vital** that you read the information you are given with your outcome **before** responding to your outcome, as it contains critical information regarding your options and the implications.

If you are not offered a place at one of your preference schools

If your child is a resident in North Somerset and we are unable to offer a place at one of your preferred schools, we will offer a place at the nearest school with a place available.

If you are not offered a place at your preferred school, you can:

- accept the alternative place offered
- request to go on the waiting list
- lodge an appeal to an independent Appeal Panel
- make new preferences to be processed in a later round of allocations.

Waiting Lists

A waiting list will be held for all those applicants still seeking a place until 31 December 2026. Please let us know as soon as possible if you want to be added to a waiting list. We will not add you to a waiting list without your specific instruction.

All children on each school's waiting list will be ranked in line with the [Oversubscription Criteria](#) and allocations can only be made using the [Oversubscription Criteria](#). Waiting list positions can go down as well as up, as further applicants are added to or removed from the waiting list.

In line with the [School Admissions Code](#), a child can only have one offer of a place at a time. This means that when a child is offered a place from the waiting list, it will result in their current allocated school being automatically withdrawn.

If you have decided to keep the offered school place, and no longer wish to stay on a waiting list, it is imperative that you contact us and ask to be taken off the waiting list(s).

Further Allocation Rounds

Applications received after 11.59pm on the National Closing Date will be considered in further admissions rounds following National Offer Day.

Applications will be considered for

- late applicants
- applicants on waiting lists
- applicants who subsequently changed their preferences

The deadline for any changes or additional information to be included in subsequent rounds is shown in the [important dates](#) section.

Appeals

You can appeal for a place at any school you chose as a preference and been refused a place at. You cannot appeal for a place at a school which was a lower preference than the offered school.

If you have been offered a place at St Anne's Church Academy, you cannot appeal for another site.

The [School Admission Appeals Code](#) provides that an appeal hearing should be held within a reasonable time. Appeals lodged following an on time application must be heard within 40 school days of the specified Closing Date for the receipt of appeals.

If you want to lodge an appeal, we ask that you submit your appeal as soon as possible to enable hearings to be scheduled within 40 school days. All appeals received by the [deadline](#) should be heard before the end of the term preceding entry. If any appeals are received after the [deadline](#), we will endeavour to have the appeal heard before the start of the September term, but we cannot guarantee it.

More information on appeals can be found in our [school appeals guide](#).

Infant Class Size Legislation

It is a legal requirement that infant classes (reception and years 1 and 2) **must not exceed 30 children to one teacher**. This is known as "Infant Class Size Legislation".

Parents often find it frustrating when they realise how very limited the powers of the appeal panel are for infant class size legislation appeals. We are drawing your attention to this now so you can make an informed decision on whether to appeal or not.

The panel may only uphold the appeal where:

1. it finds that the admission of additional children would not breach the infant class size limit; or
2. it finds that the admission arrangements did not comply with admissions law or were not correctly and impartially applied, and the child would have been offered a place if the arrangements had complied or had been correctly and impartially applied; or
3. it decides that the decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case.

Most parents who have been refused a place at their preferred school consider this refusal to be perverse. But the word has a stronger meaning in its legal sense. It means 'beyond the range of responses open to a reasonable decision maker', or 'a decision which is so outrageous in its

defiance of logic or of accepted moral standards that no sensible person who had applied their mind to the question could have arrived at it’.

The Courts have previously established that a decision that makes it difficult for you to transport all your family to school on time, or for you to continue working, is very unlikely to be classed as ‘perverse’.

More information is available at <https://www.lgo.org.uk/make-a-complaint/fact-sheets/education/infant-class-size-appeals>

Deferring and Delaying

Although children are not legally required to attend school until the term following their fifth birthday, all children are entitled to a full-time place in a Reception class in the September following their fourth birthday.

Delayed and Accelerated Entry

You can request that your child is educated outside of their normal chronological age group if you believe this to be in the child’s best interests.

You must submit your request to admit your child into the year group above or below their usual chronological age group in writing to the Admissions Authorities of your preferred schools. Please make your request to the schools prior to the National Closing Date, this helps the school with their forward planning for the academic year and means that places are not being allocated if you do not want your child to start school in September 2026.

Decisions will be made by the school on an individual basis, taking into account the following:

- the views of the parent
- information about the social, emotional and academic development of the child (often supported by education and other professionals)
- the views of the Headteacher and governing body, if appropriate
- the child’s medical history and the views of a medical professional, if relevant
- whether the child has previously been educated out of their normal age group
- whether the child may have naturally have fallen into a lower age group if they were not born prematurely

Please read our [Guidance on delayed and deferred entry to school requests](#), and the [advice on the admission of summer born children](#) which is issued by the Department for Education, which should help answer any queries you may have.

You should still submit an On Time application for your child to start school in 2026 in case any request is refused.

Deferring a School Place

If your child was born between 1 September and 31 March, his/her place can be deferred until the start of term in January or April, but no later than the term following the child's fifth birthday. The schoolplace will be held for your child and will not be offered to another child.

If your child was born between 1 April and 31 August, places may be deferred until the start of term in January or April for Reception, or the next September for a place in Year one. Please be

aware that if you wish to defer your child's entry to school until Year one in September 2027, any place offered will not be held and you will need to reapply from 1 June 2027.

You can also request that your child takes up their place on a part-time basis until they reach compulsory school age. Contact the Headteacher directly to discuss any of these options.

If you wish for your child to start Year one in September 2027, please notify us as soon as possible.

How to Request your Child is Educated out of Cohort

You will need to put your request in writing, or email, and detail the reasons why you feel it would be in your child's best interests to delay or accelerate starting school. You should enclose copies of any relevant reports which support your request, although you are not expected to commission a report solely for this purpose.

Your request will be considered by the Admissions Authority of your preferred school(s). All requests will take into account the views of the Headteacher of the school(s).

Once you have compiled your request, send it to the Headteacher of each of your preferred schools. The Headteacher and the Governing Body will respond to you in writing stating whether or not they are in support of your request.

If you are applying for places at schools that are Voluntary Aided, Trust, Foundation, Free schools or Academies, your request will be considered by the Governors of your preference schools. You should read the school's [Admissions Arrangements](#) for more details on how they will consider your request.

If your request is **agreed**, you will need to apply again the following year for the new cohort and withdraw your current application. Please do let us know if this is you do decide to withdraw your application.

If your request is **refused**, any application for a place in Reception or Year three for September 2026 will continue to be processed. If you have not yet applied, you will need to ensure you make an application as soon as possible.

There is no right of appeal against the decision to admit your child to a particular year group. However, if your request is refused, you can make a complaint to the Admissions Authority directly.

Home to School Transport

North Somerset Council provide help with transport for children who are entitled.

Please see the [home to school transport](#) website for full details.

Reception Intake Admissions

Catchment Areas

Some schools have a catchment area, which is an area of priority for a school. Living in this area does not guarantee a child a place at the school, but they are likely to receive priority over children who live outside the catchment area.

If you would like to check if an address is in a catchment area, please check our [website](#) by entering an address at the top of the screen.

If a school has a catchment area a map will be included alongside its Oversubscription Criteria shown below.

Points to Consider

A summary of the Oversubscription Criteria is given below. The full Oversubscription Criteria, including definitions, is available on each school's website.

It is a legal requirement that infant classes (reception and years 1 and 2) **must not exceed 30 children to one teacher**. This is known as "Infant Class Size Legislation".

This legal requirement means that once a class reaches 30 children, no more children can be admitted. The Infant Class Size Legislation does not mean that schools have to admit up to 30 children into each of their classes, but that 30 is the limit.

If your child attends the nursery provision at a primary school, you must still apply for a reception place. **Attending the nursery at a school does not guarantee admission to a reception class.** A few schools in North Somerset have oversubscription criteria relating to eligibility of an applicant for pupil premium and attending the school nursery. Please check each individual schools' [Admissions Arrangements](#) to see if this applies.

If a school is named in a child's Education, Health and Care Plan, the Admissions Authority for the school is legally required to admit the child to the school. Any such child will be allocated a place at the named school **before** the [Oversubscription Criteria](#) is applied.

If a school receives more applications than the Admission Number would allow, the [Oversubscription Criteria](#) will be used to determine who will be allocated the places. All applications will be ranked in accordance with the [Oversubscription Criteria](#) . However, if a school is not oversubscribed, all new intake applicants will be offered a place.

Allocation sheets with details of any Oversubscribed school in North Somerset over the past five years of intakes is available at <http://www.n-somerset.gov.uk/my-services/schools-learning/school-admissions/oversubscribed-schools>

If you wish to make this school one of your preferences, please select 'Airfield Primary' from the list of schools in the online service. If submitting a paper form, please write 'Airfield Primary' within the relevant 'Preferred School' section of the form.

Status: Academy

Age Range: 2-11

Published Admission Number: 60

Oversubscription Criteria:

1. Children in Care at the time of application and children who were previously in Care but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order) immediately following having been in Care
2. Children of The Priory Learning Trust staff and whose home school is St Anne's Church Academy, employed on a permanent contract by the school for at least two years at the time of application, or where the member of St Anne's Academy staff has been recruited to fill a post for which there is a demonstrable skill shortage. This does not include staff who work on the school campus for other employers
3. Children living within the Catchment Area and have a sibling attending the school at time of admission
4. Children living within the Catchment Area
5. Children living outside the Catchment Area and have a sibling attending the school at time of admission
6. Children living outside the Catchment Area.

Within each criterion, priority will be given to children living closest to the school measured in a direct line.

Admission to St Anne's Church Academy is to the school as a whole and not to any particular site. As part of this, a separate site allocation process needs to be completed. Parents are asked to complete a [Supplementary Information Form](#), and return it to the school, to state which of the St Anne's sites they wish their child to attend.

Site allocation will be decided by using the school's allocation list. The allocation list is a list of all children who have been successful at gaining a place at St Anne's Church Academy, and will, for reception intake, contain around 60 children's names that ranked in accordance with the school's oversubscription criteria. Each ranked child will be considered for site allocation.

West Wick site has a capacity of 30 children per year group.
Hewish site has a capacity of 30 children per year group.

The following criteria will be used to determine the site allocation:

1. Children with an Education Health and Care Plan EHCP with St Anne's Church Academy named as the most appropriate school
2. Children in Care at the time of application and children who were previously in Care but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order) immediately following having been in Care
3. Children with a sibling attending a site and a satisfactory Supplementary Information Form has been received.
4. Direct line distance measured from the child's home to the nearest school site and a satisfactory Supplementary Information Form has been received.
5. Children with a sibling attending a site and a satisfactory Supplementary Information Form has NOT been received.
6. Direct line distance measured from the child's home to the nearest school site and a satisfactory Supplementary Information Form has NOT been received

If an applicant submits a [Supplementary Information Form](#) and their preferred site cannot be allocated, the child will still be offered a place at St Anne's Church Academy, however it will be at a different site to their preference.

Year 3 intake admissions

The 2026-27 school year for Junior transfers is for children born between 1 September 2018 and 31 August 2019.

Transferring from and Infant to Junior school is not automatic, you must make an application, otherwise you will not be considered for a place.

If your child is currently attending a Primary school, you do not need to do anything. You only need to apply for a Junior school if you would like your child to transfer to a Junior school.

A summary of the Oversubscription Criteria is given below. The full Admissions Oversubscription Criteria, including definitions, is available on the individual school's website.

If a school is named in a child's Education, Health and Care Plan, the Admissions Authority for the school is legally required to admit the child to the school. Any such child will be allocated a place at the named school **before** the [Oversubscription Criteria](#) is applied.

If a school is not oversubscribed, all new intake applicants will be offered a place.

Should a school receive more applications than the Admission Number would allow, the Oversubscription Criteria will be used to determine who will be allocated the places. All applications will be ranked in accordance with the Oversubscription Criteria.

School place allocation details for any Oversubscribed school in North Somerset over the past five years of intakes is available at <http://www.n-somerset.gov.uk/my-services/schools-learning/school-admissions/oversubscribed-schools>

Terms and abbreviations

The terms, abbreviations, and legal extracts that we need to use in this guide may sometimes be difficult to understand so we hope these explanations will help.

Academies

Academies are schools which are funded directly by the Government rather than through the Local Authority. Any reference to schools within this guide includes Academies.

Admissions Authority

The body responsible for setting and applying a school's admissions arrangements. For Community or Voluntary Controlled schools, this body is the Local Authority unless it has agreed to delegate responsibility to the Governing Body. For Foundation or Voluntary Aided schools, this body is the Governing Body of the school. For Academies, this body is the Academy Trust.

Admissions Arrangements

The overall procedure, practices and oversubscription criteria used in deciding the allocation of school places including any device or means used to determine whether a school place is to be offered.

Admission Number

Every school has an Admission Number which is agreed between the school, the Local Authority and the Department of Education. This represents the number of places available in the year group that pupils would usually join the school, i.e. the Reception Year in Infant and Primary schools or Year three in Junior schools.

Children in Care

'Children in Care' are children who are (a) in the care of a local Council or (b) being provided with accommodation by a local Council in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).

For Children previously in Care:

- this includes children who were adopted under the Adoption Act 1976 (see s. 12 Adoption Orders) and children who were adopted under the Adoption and Children Act 2002 (see s.46 Adoption Orders)
- child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replaced residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order
- in accordance with s.14A of the Children Act 1989, a Special Guardianship Order is defined as an Order appointing one or more individuals to be a child's special guardian (or special guardians)
- Children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

References to previously looked after children means such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after.

National Closing Date

The National Closing Date for school applications to be considered as On Time. The National Closing Date for Primary applications, set by the DfE, is 15 January 2026. The time applications close on the National Closing Date can vary between different Local Authorities. North Somerset Council has set the closing time to 11.59pm to allow residents the maximum amount of time to apply.

Community Schools

Community schools are fully maintained by a Council. The council is the Admissions Authority and is responsible for determining the Admissions Arrangements, Oversubscription Criteria and allocation of school places.

Council (Authority)

North Somerset Council is the local Council (often known as the 'Local Authority') for people and schools within North Somerset. All references within this guide to 'the council', 'the authority', the 'local Council' or 'Local Authority' means North Somerset Council.

The 'Home Council' is the council in which the child lives, regardless of where the schools being applied for are situated. North Somerset Council is the Home Council for North Somerset residents. People who live outside North Somerset will have a different Home Council.

Catchment area

Living in a school's catchment area does not guarantee a place at the school. However, applicants living in the catchment area may have a higher priority for places than those who live outside the catchment area (except for Children in Care and Children with an Education, Health Care Plan that names the school). Please check the [Oversubscription Criteria](#) for the specific school.

Infant Class Size Legislation

Infant classes (those where the majority of children will reach the age of five, six or seven during the school year) must not contain more than 30 pupils with a single school teacher. Additional children may be admitted under limited exceptional circumstances, as stated in section 2.15 of the [School Admissions Code](#). Infant class size legislation also restricts the powers of an independent appeals panel. Please see our [School appeals guide for North Somerset Schools](#) for more information.

Infant Schools

Infant schools cover the Reception to Year two age groups. Normally, children from these schools will transfer to a Junior school or the Junior part of a Primary school to continue their education. Pupils moving from an Infant school to a Junior or Primary school must make a new application for a Year three place when appropriate. This change is not made automatically.

Junior Schools

Junior schools cover the Year three to Year six age groups. Pupils attending an Infant school that is federated with its partner Junior school must still apply for a place at the Junior school for Year 3 onwards.

Late applications

Late applications are any applications which are received after 11.59pm on the National Closing Date. Late applications will not be considered in the first round of allocations unless we consider there are extenuating reasons for allowing them to be accepted as On Time, and the application was received before we have sent details of applications to other Councils. Late applications will not receive an outcome on the National Offer Day. To see the dates we run further allocation rounds, please see the [important dates](#) section.

Local collaborative trusts

A Governor led partnership model which allows schools to work formally together on a wide range of activities as decided by the school Governing Bodies and coordinated through a trust board. The arrangement does not change the existing Admissions Arrangements for any school in the partnership.

National Offer Day

The day each year on which Local Authorities are required to send the offer of a school place. For Primary pupils offers are sent out by the Home Local Authority on 16 April 2026 (or the next working day if this falls on a weekend or bank holiday).

Ofsted

This is the abbreviated name of the Office for Standards in Education, which is the Government Department responsible for inspecting and producing inspection reports on schools.

On Time application

Complete applications received before 11.59pm on the National Closing Date. These will be considered in the first round of allocations and receive an outcome on the National Offer Day.

Oversubscription Criteria

The Oversubscription Criteria is used to determine which children will be given places if there are more applications than places available at the school.

Oversubscribed schools

These are schools where the number of applications exceeds the number of places available.

Own Admission Authority schools

This is the collective term used within this guide for all schools responsible for their own Admissions Arrangements such as Academies, Free Schools and Voluntary Aided Schools. All reference to 'Own Admission Authority schools' within this guide therefore includes all these schools.

Parent

This includes anyone, including carers, who have Parental Responsibility for a child as set out in the Children Act 1989. All references in this Parents' Guide therefore include carers.

Parental Responsibility

[Parental Responsibility](#) is defined under the Children Act 1989 as being all the rights, duties, powers, responsibilities and authority which, by law, a parent of a child has.

Primary schools

Primary schools cover the Reception to Year six age groups. Some Infant and Primary schools also provide Nursery education.

Undersubscribed schools

These are schools where there are fewer applications than the number of places available.

Voluntary Aided (VA) schools

Responsibility for management is shared between the Council and Church, but with the Church playing a greater role.
