Introduction

Welcome to North Somerset Council's Parents' Guide for applying for a school place in Reception ('Starting School') or Year three ('Transfer to Junior School'). This document contains details about the different types of schools in North Somerset and their [Oversubscription Criteria](#). It also includes information on North Somerset Council's [home to school Transport](#) policy.

Starting school is one of the most important milestones in every child's life and to help you decide which school(s) to apply for, information is available on the school(s) website, their [Ofsted](#) report, and you can visit the school(s) in person.

Not every school in North Somerset is able to offer a place to everyone who applies. The [Reception intake admissions](#) section and [Year three intake admissions](#) section contains details of the previous five years applications, preferences and outcomes, including appeal statistics. Terms and abbreviations used throughout are available at the end of the guide.

We recommend that you read the following documents in conjunction with this guide:

- [Primary Coordinated Admissions Scheme 2024-25](#) which contains important dates, information and definitions.
- [School Admissions Code](#) which all Admissions Authorities in England must adhere to and which is produced by the Department for Education (DfE).

This guide contains a summary of the Admissions Arrangements for schools located within North Somerset.

All applications should be submitted to your Home Council by 15 January 2024.

Important dates

For full details of the dates North Somerset Council follow, please see the [Primary Coordinated Admission Scheme 2024-25](#).

From 12 September 2023	Applications for September 2024 school start will be accepted from the 12 September. Applications can be made online via our website or on a paper form available to download or on request.
11.59pm on 15 January 2024	The deadline for applications to be submitted to North Somerset Council.
16 April 2024 National Offer Day	If you applied online and before the deadline, you will receive an email with an outcome. If you completed a paper application, your outcome will be sent out by second class post on the 16 April 2024.
30 April 2024	Please respond to your offer by this date.
10 May 2024	If you want to appeal, we need to receive your completed appeal statement by this date. If your appeal is received after this date, we will endeavour to have the appeal heard before the start of the September term but cannot guarantee this.
10 May 2024	The Closing Date for the <u>second</u> round of allocations, which includes: <ul style="list-style-type: none">• Late applications• On Time applicants still seeking a place at one of their school preferences• On Time applicants who have changed their preference(s)• allocation of any places declined by parents
By 24 May 2024	Second round of allocations will be made, and applicants will be informed of the outcome by second class post.
From 10 June 2024	Further admission rounds will take place, as and when required, until the end of the Coordinated Admissions Scheme.
Up to and including 31 August 2024	The Coordinated Admission Scheme ends. Applications for school places received after this date will be considered under the “In Year” transfer process.

Coordinated Admissions Scheme

Councils are required to coordinate admissions for all schools within their area. This means they **must** publish Admissions Arrangements for all publicly funded schools.

Your application must be made to your Home Council, regardless of where the school is based.

Councils outside North Somerset will share details of applications made for any other Own Admission Authority schools within its own area so that offers can be made. For details of the Oversubscription Criteria of schools in other Councils please check the relevant school or Council's website.

Application forms for North Somerset residents must be returned to us.

North Somerset Council's Coordinated Admissions Scheme can be found on [our](#) website.

Pupil Projections for North Somerset Council

Every year North Somerset Council is required to produce pupil projections that forecast the number of school places required.

The full breakdown of the Pupil Projections for North Somerset Schools is available on our [website](#).

How to apply for a school place

You can either apply [online](#), or by using a [paper application form](#).

Applications are not treated on a "first come, first served" basis, but are considered in line with the [equal preference system](#) and in accordance with the relevant Admissions Arrangements.

You can apply for places at schools in other Councils, but you **must** do so using a North Somerset application form. When making the application, you should check with the school, or it's Council, to see if any additional documents such as [Supplementary Information Forms](#) are required and how and when to submit them.

All completed applications must be submitted by 11.59pm on 15 January 2024 to be considered as an On Time application.

If your child's surname has changed at any time, please complete the form using your child's legal name and include the appropriate legal documentation.

Please also consider how your child will get to school when making your preferences, it can be helpful to read the [home to school Transport](#) policy.

It is your responsibility to provide all details relevant to your child's application.

For example, if your child has any siblings at a preference school, please ensure you have completed the relevant section in the application form.

The [Reception](#) and [Year Three](#) section of this guide have allocation information for the previous five years that you may find useful.

If you are applying from abroad, please ensure that you read the following guidance:
www.gov.uk/guidance/schools-admissions-applications-from-overseas-children

Applying online

If you live in North Somerset, please ensure that your application is completed using the North Somerset application system.

If you have completed an online application, you do not need to submit a paper application.

A step by step guide on how to use the [online application system](#) is available on our [website](#).

You can access the [online application system](#) via our [website](#) until 11.59pm on 15 January 2024. There are occasions when the system needs to back-up and when it might not be available.

We would advise you to familiarise yourself with the [online application system](#) before the National Closing Date, so if you have any queries you have time to get help or more information before the National Closing Date.

If you need advice or assistance with completing your application, please read the [step by step guide](#) before [contacting us](#). We will try to resolve any problems you have with online applications, but the council cannot provide detailed technical support.

Make sure you submit your application by the National Closing Date. If you need to contact us, please allow up to 10 working days for a response.

Once you have submitted your application you will be sent an email acknowledging that we have received your online application and confirming your preferences. Your notification by email is your proof that you have made your application. If you do not receive this email and have checked your junk/spam emails, you should assume your application has not been received, please log back into your account and complete and submit your application.

IMPORTANT – To prevent emails from the online application service going into your spam or junk folders please add the email address eduadmissions.online@n-somerset.gov.uk to your list of approved senders. This is an unmonitored account so do not reply to any emails.

You can make changes to your preferences up to 11.59pm on the National Closing Date, **but make sure you click the 'resubmit' button on your application**. You will receive another email to confirm it has been resubmitted.

We **must** receive your final applications by 11.59pm on the National Closing Date. Unsubmitted preferences will not be considered.

You will receive an email notification with the result of your application on National Offer Day, which will contain your outcome, information on the options available to you and how and when to respond.

Paper applications

Paper applications can be downloaded from our [website](#), and are available upon request.

You only need to apply once, if you apply more than once only the most recent submission will be considered.

Please complete the form as fully as possible as any missing, or incorrect, details could affect the outcome of your application.

Please return your paper application by email or post by the National Closing Date. We recommend that you obtain independent proof of postage, such as recorded delivery.

When emailing School Admissions, you should receive an automated confirmation email. If you do not receive this email and have checked your junk/spam emails, please [contact us](#).

If you wish to change anything after you have submitted your paper application, please submit a new application form, this will replace your existing application.

If you apply On Time but your application is incomplete, we can contact you to request the outstanding information. If the required information/documentation is not provided by the date specified, the application might not be considered in the first round of allocations.

An outcome letter will be posted to you on National Offer Day (16 April 2024) by second class post and can take several days to be delivered.

Late applications

If your application is received after the National Closing Date, it is unlikely that we can offer you a place at any of your preferences. This applies even if you already have a sibling at your preferred school, or you live very close to it.

Our [online application system](#) cannot accept any applications after 11.59pm on the National Closing Date. Late applicants will only be able to apply using a [paper application form](#).

Late applicants will be informed of the outcome of their application after the next allocations round.

Who can apply

Children born between 1 September 2019 and 31 August 2020 can apply for Reception Year at Infant, First, and Primary schools in 2024-25.

Children born between 1 September 2016 and 31 August 2017 can apply for transfer to Junior schools in September 2024-25.

Applications will be accepted for children who meet one or more of the following:

- UK residents
- British Citizen Passport holders
- are from countries whose passports have been endorsed to show that they have the [right of abode](#) in this country.

Those who live outside of England and wish to attend a North Somerset school should apply directly to us.

If the child is a child in care (looked after child) then the application **must** be completed and submitted by the child's social worker.

Applications **must** be made and signed by a person with **Parental Responsibility** for the child.

Parental Responsibility

Parental Responsibility is defined under the Children Act 1989 as being all the rights, duties, powers, responsibilities, and authority which, by law, a parent of a child has.

People who have Parental Responsibility are:

- The child's mother, who always has Parental Responsibility unless the child has been adopted.
- The child's father (if married to the child's mother at the time of the child's birth or any time afterwards, or is listed on the child's birth certificate)
- The child's unmarried father can acquire Parental Responsibility by:
 - Entering into a formal documented agreement with the mother in a manner prescribed by law i.e. a Parental Responsibility Agreement
 - Making a successful application to the Court for a Parental Responsibility Order
 - Being appointed the child's guardian by the Court or by the child's mother in her Will –For children's births registered on or after 1 December 2003 – by registering the father's name on the birth certificate.
- The child's adoptive parents
- The child's guardian (appointed under a Will)
- Any person who has a Child Arrangements Order which states the child must reside with them (NB Parental Responsibility will only last for the continuance of the order). This includes those with a pre-existing Residence Order, (which is now known as a Child Arrangements Order).
- The Local Authority, if a Care Order is in force in respect of that child.
- A step parent either by:
 - Agreement with both parents
 - Court Order
 - Adoption

If you are the applicant and do not have Parental Responsibility, please attach a letter from a person with Parental Responsibility, granting you the authority to make the application on their behalf and giving a brief explanation as to the circumstances. It will help if you add additional supportive evidence to the letter. We will consider your request and inform you of the outcome.

If two people share Parental Responsibility and both submit an application form, we will ask you both to determine which application we should consider, and which application should be withdrawn. If you are unable to reach an agreement between you and you do not have a 'Specific Issues Order' or 'Residency Order' the decision as to which application should be accepted will be determined by the North Somerset Schools Admissions Team drawing lots. Whichever application is accepted, the address where the child spends the majority of his/her time will be the one considered as to be the home address.

We will not resolve disputes between parents, this must be resolved between yourselves or through the court process.

Home address

The address on the application form must be where the child is currently living. Fraudulent applications will likely lead to the withdrawal of any place offered.

If you [move address](#) after applying for a school place, please provide proof of your new address.

Proof of address can be any of the following:

- solicitor's letter confirming the exchange of contracts with a completion date.
- tenancy agreement signed by both parties.
- utility bill dated within three months prior to submission.

Child's home address

We will consider the child's home address to be the place where the child is currently living for the majority of the time.

An address used for childcare arrangements cannot be used as the home address, this includes addresses which belong to a family member. We will not accept an address for a child which is different from his/her parents and expressly linked to obtaining a school place.

If parents do not live together, and the child spends equal amounts of time with both parents, we will consider the home of the parent who made the application to be the child's home address.

We will not accept more than one address as the child's home address. If necessary, the terms of a Residency Order will clarify the home address.

We reserve the right to seek more documentary evidence to support any claim or residence. Additionally, we may carry out home visits without prior notice to verify the child's home address.

Proof of address

Any offer of a school place based on where your child lives is conditional on your child living at that address on the National Closing Date.

After the National Closing Date, we will check the address on your application against the records the council holds for the applicant and the child. We can ask you to provide proof of your address.

We will investigate any applications where there is doubt about the address being given. Fraudulent applications will likely lead to the withdrawal of any place offered, even after your child has started at a school.

We can undertake checks at any time to ensure that an applicant is (or will be) living at a property. Applicants may be asked to provide independent documentation to prove that they live at their stated home address.

If you cannot provide proof of address before the National Deadline, we will not be able to consider your application in the first round of allocations. If your preference school is already full, we will allocate a place at the nearest school to your home address with a place available.

Moving house

You must inform us if you change address as soon as possible or your place could be withdrawn.

If you are going to move after the National Closing Date and you can provide independent confirmation of this before 11.59pm on the National Closing Date, we can consider your new address in the first round of allocations.

Examples of independent confirmation of a change of address are:

- a solicitor's letter confirming the exchange of contracts with a completion date.
- a tenancy agreement signed by both parties.
- a utility bill dated within three months prior to submission.

If the child is from a family of a Crown Servant or of UK Service Personnel, we will accept a letter from the MOD, FCO or GCHQ declaring a return date.

Occasionally, we will ask you to provide proof that you have left your previous property, for example by supplying a final account utility bill, or a Notice to Quit to tenants.

If you are moving out of North Somerset and into another Council area, then your new Home Council will then process the application and notify you of the outcome.

Fraudulent applications

If a child obtained a school place based on fraudulent or intentionally misleading information, we can withdraw an offer of a school place.

It is important that all information listed on your application is correct and up to date. If you move address but do not inform us, this could lead to an incorrect outcome and the withdrawal of any place offered on the basis of that information.

If we are notified of a potential fraudulent application, or if there is any evidence to imply that the information submitted on an application is fraudulent, we will investigate.

Your application will then be considered again during the next round of allocations using the correct information.

If you believe that a fraudulent application has been made, please [contact us](#). Any information received will be treated in total confidence and your identity will not be divulged.

Preferences

You can name up to three school preferences on your application form, but you are not guaranteed to be offered a place at any of these schools.

Complete the form using the schools you prefer in numerical order. Do not include private, Independent or Special Educational Needs Schools.

We recommend that you use all three preferences to increase your chances of being offered a place at a school you would prefer your child to attend.

If you only add one and we are unable to offer this school, we will allocate the school closest to the

home address with a space, this could be anywhere in North Somerset. Please **do not** list the same school three times.

You must apply for a school in order to be considered for a place there.

When you are choosing your school preferences, please take into account how your child will get there. You could look at the [home to school transport policy](#) to see if you qualify for free travel assistance.

Whilst we have responsibility to make a school place available to each North Somerset child, we cannot **guarantee** each child a place at any of your named preferences or at your nearest school.

Equal preference system

Applications for all schools are considered under an 'equal preference system'. This means that all your preferences are considered equally against the Oversubscription Criteria for the school(s).

If your child qualifies for a place at more than one of your preferences we will offer the highest preference possible.

Preference reasons

You may give reasons on your application form for your preferences, but all allocations **must** be made in accordance with the [Oversubscription Criteria](#) for each of the schools.

Only reasons that fall within the school's Oversubscription Criteria can be taken into account.

Changing preferences

Before the National Closing Date

You can change your preferences, up until 11.59pm on the National Closing Date. Your final submitted application will be the one that is processed.

Once you have submitted your change of preferences you will be sent an email acknowledging that we have received your online application and confirming your change of preferences. Your notification by email is your proof that you have made your change of preferences. If you do not receive this email and have checked your junk/spam emails, you should assume your change of preferences have not been received, please log back into your account and complete and resubmit your application.

Please return your paper application by email or post by the National Closing Date. We recommend that you obtain independent proof of postage, such as recorded delivery.

After the National Closing Date

Any changes to preference(s) after 11.59pm on the National Closing Date will be ran subsequent allocation rounds.

If you are moving home, please refer to the [Home address – Moving house](#) section.

After National Offer Day

The new application will be treated as a late application and considered in the next round of allocations.

We cannot guarantee that your new application will be successful, this will depend on the availability of places.

If a place can be offered from the new application, any school place already offered or accepted will automatically be withdrawn. Your original offer may be allocated to another child, so you will not be able to request that place back.

Supplementary Information Forms

The following schools have Supplementary Information Forms for those who are applying under a specific criterion. These can be found within the relevant school Admissions Arrangement, which is linked below, and in [Appendix A – Supplementary Information Forms for Schools in North Somerset](#) at the end of this guide.

- [Bournville Primary](#)
- [Burrington Church of England Primary](#)
- [Dundry Church of England Primary](#)
- [Oldmixon Primary](#)
- [St Anne's Church Academy](#)
- [St John the Evangelist Church School](#)
- [Tickenham Church of England Primary](#)
- [Windwhistle Primary](#)
- [Worlebury St Pauls Church School](#)
- [Wraxall Church of England Primary](#)

The following Primary schools require additional evidence for those who are applying under specific criteria:

- [Christ Church CofE Primary](#)
- [Corpus Christi Catholic Primary](#)
- [St Francis' Catholic Primary](#)
- [St Joseph's Catholic Primary](#)

For more information please contact the school or read the [Admissions Arrangements](#) document for the specific school.

Any Supplementary Information Forms and additional evidence for the above schools must be submitted directly to the school and not to North Somerset Council.

Outcome of application

On the National Offer Day, 16 April 2024, we will make an offer of a school place to you, provided that a fully completed application was received on time.

If you applied [online](#), you can log into the online application system from midnight on National Offer Day to view the result of the application. An email will be sent to you.

If you applied on a paper application form, letters will be sent by second class post, on the

National Offer Day, and may take several days to arrive. Important information is included so please wait for the letters to arrive.

You must respond to the offer of a place to us by 30 April 2024. The offer may be withdrawn if no response is received.

You should read the statement of options **before** responding to the outcome, because it sets out your options.

If you are not offered a place at one of your preference schools

If your child is a resident in North Somerset and we are unable to offer a place at one of your preferred schools, we will offer a place at the nearest school with a place available.

If you are not offered a place at your preferred school, you can:

- accept the alternative place offered.
- request to go on the waiting list (if you have been refused a place).
- appeal to an independent Appeal Panel.
- make new preferences to run in a later round of allocations.

Waiting lists

A waiting list will be held for all those applicants still seeking a place until 31 December 2024. Please let us know as soon as possible if you want to be added to a waiting list. We will not add you to a waiting list without your specific instruction.

All children on the waiting list will be ranked in line with the [Oversubscription Criteria](#) and allocations will be made using this. Waiting list positions can go down as well as up, as additional applicants are added to or removed from the waiting list.

If your child is on a waiting list for a school, and a place subsequently becomes available, that place will be offered in accordance with the school's [Oversubscription Criteria](#).

In line with the [School Admissions Code](#), a child can only have one offer of a place at a time. This means that when a child is offered a place from the waiting list, it will result in their current allocated school being automatically withdrawn. If you have decided to keep the offered school place, and no longer wish to stay on a waiting list, it is imperative that you contact us and ask to be taken off the waiting list(s).

Please see the relevant schools [Admissions Arrangements](#) regarding staying on the waiting list.

Further allocation rounds

Applications received after 11.59pm on the National Closing Date will be considered in the admissions rounds following the National Offer Day.

Applications will be considered for

- late applicants
- applicants on waiting lists
- applicants who subsequently changed their preferences

The deadline for any changes or additional information to be included in subsequent rounds is shown in the [important dates](#) section.

Appeals

You can appeal for a place at any preference school you have been refused a place at.

You cannot appeal for a school which was not named as a preference on your application, nor for a school that is a lower preference than the offered school. You also cannot appeal regarding the site allocation at a school.

The [School Admission Appeals Code](#) of Practice provides that an appeal hearing should be held within a reasonable time. Appeals made in the normal admission round (On Time applications) must be heard within 40 school days of the specified Closing Date for the receipt of appeals.

If you want to lodge an appeal, we ask that you submit your appeal as soon as possible to enable hearings to be scheduled within this period. All appeals received by the [deadline](#) should be heard before the end of the term preceding entry. If any appeals are received after the [deadline](#), we will endeavour to have the appeal heard before the start of the September term, but we cannot guarantee it.

More information on appeals can be found in our [school appeals guide](#).

Infant class size legislation

It is a legal requirement that infant classes (those where the majority of children will reach the age of five, six or seven during the school year) **must not exceed 30 children to one teacher**. This is known as “infant class size”.

Parents often find it frustrating when they realise how very limited the powers of the appeal panel are for infant class size appeals. This is being drawn to your attention now so you can make an informed decision on whether to appeal or not.

The panel may only uphold the appeal where:

1. it finds that the admission of additional children would not breach the infant class size limit; or
2. it finds that the admission arrangements did not comply with admissions law or were not correctly and impartially applied, and the child would have been offered a place if the arrangements had complied or had been correctly and impartially applied; or
3. it decides that the decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case.

Most parents who have been refused a place at their preferred school consider this refusal to be perverse. But the word has a stronger meaning in its legal sense. It means ‘beyond the range of responses open to a reasonable decision maker’, or ‘a decision which is so outrageous in its defiance of logic or of accepted moral standards that no sensible person who had applied their mind to the question could have arrived at it’. **A decision that makes it impossible for you to transport all your family to school on time, or even impossible for you to continue working, is very unlikely to be perverse. The courts have established this.**

More information is available at <https://www.lgo.org.uk/make-a-complaint/factsheets/education/infant-class-size-appeals>

Deferring and delaying

Although children are not legally required to attend school until the term following their fifth birthday, all children are entitled to a full-time place in a Reception class in the September following their fourth birthday.

If you have prior agreement for a school(s) that your child can apply for September 2024 entry you can now make an application. Please include the letter from the school (s) confirming their agreement.

Delayed and accelerated entry

You can request that your child is educated outside of their normal chronological age group if you believe this to be in the child's best interests.

Please submit your request to admit your child into the year group above or below their usual chronological age group in writing to the Admissions Authorities of your preferred schools. Please make your request to the schools prior to the National Closing Date, this helps the school with their forward planning for the academic year and means that places are not being allocated if you are not wanting your child to start school in September 2024.

Decisions will be made on an individual basis and taking into account the following:

- the views of the parent
- information about the social, emotional and academic development of the child (often supported by education and other professionals)
- the views of the Headteacher and governing body if appropriate
- the child's medical history and the views of a medical professional if relevant
- whether the child has previously been educated out of their normal age group
- whether the child may have naturally have fallen into a lower age group if they were not born prematurely

Please read our [Guidance on delayed and deferred entry to school requests](#), and the [advice on the admission of summer born children](#) which is issued by the Department for Education, which should help answer any queries you may have.

You should still submit an On Time application for your child to start school in 2024 in case any request is refused.

Deferring a school place

If your child was born between 1 September and 31 March, places may be deferred until the start of term in January or April, but no later than the term following the child's fifth birthday. The school place will be held for your child and will not be offered to another child.

If your child was born between 1 April and 31 August, places may be deferred until the start of term in January or April for Reception, or the next September for a place in Year one. Please be aware that if you wish to defer your child's entry to school until Year one in September 2025, any place offered will not be held and you will need to reapply from 1 June 2025.

You can also request that your child takes up their place on a part-time basis until they reach compulsory school age. Please contact the Headteacher directly to discuss any of these options.

If you wish for your child to start Year one in September 2025, please notify us as soon as possible.

Making a request for your child to be educated out of cohort

Your request will be considered by the Admissions Authority of your preferred school(s). All requests will take into account the views of the Headteacher of the school(s).

You will need to put your request in writing, or email, and detail the reasons why you feel it would be in your child's best interests to delay or accelerate starting school. You should enclose copies of any relevant reports which support your request, although you are not expected to commission a report solely for this purpose.

Once you have compiled your request, send it to the Headteacher of each of your preferred schools. The Headteacher and the Governing Body will respond to you in writing stating whether or not they are in support of your request.

If you are applying for places at a Community or Voluntary Controlled school, your written request, along with the Headteachers response, will need to be sent to us to be considered.

If you are applying for places at schools that are Voluntary Aided, Trust, Foundation, Free schools or Academies, your request will be considered by the Governors of your preference schools. You should read the school's [Admissions Arrangements](#) for more details on how they will consider your request.

If your request is **agreed**, you will need to apply again the following year for the new cohort and withdraw your current application.

If your request is **refused**, any application for a place in Reception or Year three for September 2024 will continue to be processed. If you have not yet applied, you will need to ensure you make an application as soon as possible.

There is no right of appeal against the decision to admit your child to a particular year group. However, if your request is refused, you can make a complaint to the Admissions Authority directly.

Home to school transport

North Somerset Council provide help with transport for **children who meet the following criteria:**

- are aged up to eight years and live further than two miles from their nearest school by the shortest walking route.
- are aged eight and above and live further than three miles from their nearest school by the shortest walking route.
- need to use a route that has been classed as dangerous.
- have certain medical conditions, disabilities, or a statement of complex needs.

Please see the [home to school transport](#) website for full details.

Reception intake admissions

First Geographical Areas, also known as catchment areas

Some schools have a First Geographical Area, which is an area of priority for a school. Living in this area does not guarantee a child a place at the school, but they are likely to receive priority over children who live outside the First Geographical Area.

If you would like to check if an address is in a First Geographical Area, please check our [website](#) by entering an address at the top of the screen.

If a school has a First Geographical Area a map will be included alongside its Oversubscription Criteria shown below.

Points to consider

A summary of the Oversubscription Criteria is given below. The full Admissions Oversubscription Criteria, including definitions, is available on the individual school's website.

Infant Class Size Legislation limits the number of children in a class to 30 where the majority of children reach the age of five, six or seven during the school year.

This legal requirement means that children will be refused places once there are 30 children in a class. Some schools may have single teacher classes with fewer than 30 children. The class size limits does not mean that schools have to admit up to 30 children into each of their classes.

If your child attends the nursery provision of a primary school, you must still apply for a reception place. **Attending the nursery at a school does not guarantee admission to a reception class.** A few schools in North Somerset have oversubscription criteria relating to eligibility of an applicant for pupil premium and attending the school nursery. Please check individual schools' [Admissions Arrangements](#) to see if this applies.

If a school is named in a child's Education, Health and Care Plan, the Admissions Authority for the school is legally required to admit the child to the school. Any such child will be allocated a place at the named school **before** the [Oversubscription Criteria](#) is applied.

If a school is not oversubscribed, all new intake applicants will be offered a place.

Should a school receive more applications than the Admission Number would allow, the Oversubscription Criteria will be used to determine who will be allocated the places. All applications will be ranked in accordance with the Oversubscription Criteria.

School place allocation details for any Oversubscribed school in North Somerset over the past five years of intakes is available at <http://www.n-somerset.gov.uk/my-services/schools-learning/school-admissions/oversubscribed-schools>

Email: info@parklandset.org.uk

Web: www.parklandset.org.uk

Status: Academy

Age Range: 3-11

Published Admission Number: 60

Oversubscription Criteria:

1. Children in care (i.e. children who are in the care of local authorities as defined by Section 22 of the Children Act 1989). This definition will also include 'previously looked after children'. A previously looked after child is a child who met the above definition but ceased to do so because they were adopted (under the Adoption Act 1976 or Adoption and Children Act 2002) or became the subject of a child arrangement order or special guardianship order¹ (under the Children Act 1989)
2. Children with brothers/sisters attending the school at the time of application who will still be on roll on the date of the proposed admission. Brothers/sisters must live at the same address as the child for whom the application is being made. This includes half, step and foster brothers/sisters who live at the same address.
3. Those living closest to the school as measured in a direct line from the home address to the school.

Where two or more children live in a flat or other multi-home dwelling and it is not possible to determine which applicant lives closest, the available place(s) will be allocated by drawing lots supervised by an independent body.

01934 520461 (West Wick)

Email: mailbox@saca.theplt.org.uk

Web: www.stannesprimaryschool.co.uk

Status: Academy

Age Range: 4-11

Published Admission Number: 60 (30 per site)

Admission to St Anne's Church Academy is to the school only and not to any particular site. Due to this parents are asked to complete a [Supplementary Information Form](#) to state which of the St Anne's sites you wish your child to attend. However, attendance at your preferred site cannot be guaranteed.

Oversubscription Criteria:

1. Children in Care at the time of application and children who were previously in Care but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order) immediately following having been in Care
2. Children of The Priory Learning Trust staff and whose home school is St Anne's Church Academy, employed on a permanent contract by the school for at least two years at the time of application, or where the member of St Anne's Academy staff has been recruited to fill a post for which there is a demonstrable skill shortage. This does not include staff who work on the school campus for other employers
3. Children living within the First Geographical Area and have a sibling attending the school at time of admission
4. Children living within the First Geographical Area who attend church or a service at a place of Christian worship with a family member, or children of a parent(s) who attend a church or a service at a place of Christian worship. Defined as attending a church or a service each month for a consecutive period of six months prior to application and evidenced by a signed [Supplementary Information Form](#)
5. Children living within the First Geographical Area
6. Children living outside the First Geographical Area and have a sibling attending the school at time of admission
7. Children living outside the First Geographical Area who attend church or a service at a place of Christian worship with a family member, or children of a parent(s) who attend a church or a service at a place of Christian worship. Defined as attending a church or a service each month for a consecutive period of six months prior to application and evidenced by a signed [Supplementary Information Form](#)
8. Children living outside the First Geographical Area.

In applying criteria 4, 5 and 6, allocations will be equally split within the first geographical area between Area A and Area B. In the event of there being an odd number of places available that cannot be equally split, the ranking of applications will be made by drawing lots.

Within each criterion, priority will be given to children living closest to the school measured in a direct line.

Attendance at a Church or place of Christian worship must be each month for a consecutive period of six months prior to application. Applicants must complete the governors [Supplementary Information Form](#) and ensure that the vicar, priest, minister, pastor or warden of their church also completes the relevant sections.

Site allocation will be decided by using the school’s allocation list. The allocation list is a list of all children who have been successful at gaining a place at St Anne’s Church Academy, and will, for reception intake, contain around 60 children’s names that ranked in accordance with the school’s oversubscription criteria. Each ranked child will be considered for site allocation.

The following criteria will be used to determine the site allocation:

1. Children with an Education Health and Care Plan EHCP with St Anne’s Church Academy named as the most appropriate school
2. Children in Care at the time of application and children who were previously in Care but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order) immediately following having been in Care
3. Children with a sibling attending a site and a satisfactory Supplementary Information Form has been received.
4. Direct line distance measured from the child’s home to the nearest school site and a satisfactory Supplementary Information Form has been received.
5. Children with a sibling attending a site and a satisfactory Supplementary Information Form has NOT been received.
6. Direct line distance measured from the child’s home to the nearest school site and a satisfactory Supplementary Information Form has NOT been received

If an applicant submits a Supplementary Information Form and their preferred site is already full, the child will still be offered a place at St Anne’s Church Academy however it will be at a different site to their preference.

Parents should complete the [Supplementary Information Form](#) to state which of the St Anne’s sites they wish their child to attend. North Somerset Admissions will determine site allocation and take parental preferences into account where possible.

Status: Academy
Age Range: 4-11
Published Admission Number: 30

Oversubscription Criteria:

Within each of the categories listed below, priority will be given to children who will have a brother or sister at the school at the time of enrolment.

1. Catholic looked after and previously looked after children.
2. Catholic children who are resident in the school's designated parishes St Francis', Nailsea and The Immaculate Conception, Clevedon
3. Other Catholic children.
4. Other looked after and previously looked after children.
5. Children who are a Catechumen
6. Any other children.

Tie Break Where children have identical ranking, priority within each category will then be determined by random allocation.

Supporting Evidence for categories 1, 2, 3 and 5 supporting evidence must be provided. If you do not provide the supporting documentation e.g., a certificate of baptism, or of reception into the Church, or of reception into the order of catechumens, your child cannot be placed within any of those categories, and this may affect your child's chance of being offered a place. To be considered in the first round of allocations, it should be submitted to the school by 15 January 2024.

Year 3 intake admissions

The 2024-25 school year for Junior transfers is for children born between 1 September 2016 and 31 August 2017.

Transferring from and Infant to Junior school is not automatic, you must make an application, otherwise you will not be considered for a place.

If your child is currently attending a Primary school, you do not need to do anything. You only need to apply for a Junior school if you would like your child to transfer to a Junior school.

Allocations will be made in accordance with the relevant Oversubscription Criteria so places at a Junior school cannot be guaranteed. However, the current Junior criteria (with the exception of children with an Education, Health and Care Plan that names a school and Children in (or previously in) Care), gives children attending a specific Infant school priority over other children. North Somerset has the following Infant and Junior Schools:

- Nailsea - Hannah More Infant and Grove Junior
- Portishead - High Down Infant and High Down Junior
- Backwell - West Leigh Infant and Backwell Church of England Junior
- Yatton - Yatton Infant and Yatton Church of England Junior

You must submit either an online application for a [Junior school place](#) by 11.59pm on the National Closing Date, 15 January 2024. For more information, please see the [how to apply for a school place](#) section.

Terms and abbreviations

The terms, abbreviations, and legal extracts that we need to use in this guide may sometimes be difficult to understand so we hope these explanations will help.

Academies

Academies are schools which are funded directly by the Government rather than through the Local Authority. Any reference to schools within this guide includes Academies.

Admissions Authority

The body responsible for setting and applying a school's admissions arrangements. For Community or Voluntary Controlled schools, this body is the Local Authority unless it has agreed to delegate responsibility to the Governing Body. For Foundation or Voluntary Aided schools, this body is the Governing Body of the school. For Academies, this body is the Academy Trust.

Admissions Arrangements

The overall procedure, practices and oversubscription criteria used in deciding the allocation of school places including any device or means used to determine whether a school place is to be offered.

Admission Number

Every school has an Admission Number which is agreed between the school, the Local Authority and the Department of Education. This represents the number of places available in the year group that pupils would usually join the school, i.e. the Reception Year in Infant and Primary schools or Year three in Junior schools.

Children in Care

'Children in Care' are children who are (a) in the care of a local Council or (b) being provided with accommodation by a local Council in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).

For Children previously in Care:

- this includes children who were adopted under the Adoption Act 1976 (see s. 12 Adoption Orders) and children who were adopted under the Adoption and Children Act 2002 (see s.46 Adoption Orders)
- child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replaced residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order
- in accordance with s.14A of the Children Act 1989, a Special Guardianship Order is defined as an Order appointing one or more individuals to be a child's special guardian (or special guardians)
- Children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

References to previously looked after children means such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after.

National Closing Date

The National Closing Date for school applications to be considered as On Time. The National Closing Date for Primary applications, set by the DfE, is 15 January 2024. The time applications close on the National Closing Date can vary between different Local Authorities. North Somerset Council has set the closing time to 11.59pm to allow residents the maximum amount of time to apply.

Community Schools

Community schools are fully maintained by a Council. The council is the Admissions Authority and is responsible for determining the Admissions Arrangements, Oversubscription Criteria and allocation of school places.

Council (Authority)

North Somerset Council is the local Council (often known as the 'Local Authority') for people and schools within North Somerset. All references within this guide to 'the council', 'the authority', the 'local Council' or 'Local Authority' means North Somerset Council.

The 'Home Council' is the council in which the child lives, regardless of where the schools being applied for are situated. North Somerset Council is the Home Council for North Somerset residents. People who live outside North Somerset will have a different Home Council.

Denominational schools

Catholic and Church of England (C of E) schools. They may be Voluntary Aided or Voluntary Controlled and are run in partnership between a Council and either Church of England, Catholic Church, Methodist Church or Baptist Church.

First Geographical Area (FGA)

Living in a school's FGA does not guarantee a place at the school. However, applicants living in the FGA may have a higher priority for places than those who live outside the FGA (except for Children in Care and Children with an Education, Health Care Plan that names the school). Please check the [Oversubscription Criteria](#) for the specific school.

Infant Class Size Legislation

Infant classes (those where the majority of children will reach the age of five, six or seven during the school year) must not contain more than 30 pupils with a single school teacher. Additional children may be admitted under limited exceptional circumstances, as stated in section 2.15 of the [School Admissions Code](#). Infant class size legislation also restricts the powers of an independent appeals panel. Please see our [School appeals guide for North Somerset Schools](#) for more information.

Infant Schools

Infant schools cover the Reception to Year two age groups. Normally, children from these schools will transfer to a Junior school or the Junior part of a Primary school to continue their education. Pupils moving from an Infant school to a Junior or Primary school must make a new application for a Year three place when appropriate. This change is not made automatically.

Junior Schools

Junior schools cover the Year three to Year six age groups. Pupils attending an Infant school that is federated with its partner Junior school must still apply for a place at the Junior school for Year 3 onwards.

Late applications

Late applications are any applications which are received after 11.59pm on the National Closing Date. Late applications will not be considered in the first round of allocations unless we consider there are extenuating reasons for allowing them to be accepted as On Time, and the application was received before we have sent details of applications to other Councils. Late applications will not receive an outcome on the National Offer Day. To see the dates we run further allocation rounds, please see the [important dates](#) section.

Local collaborative trusts

A Governor led partnership model which allows schools to work formally together on a wide range of activities as decided by the school Governing Bodies and coordinated through a trust board. The

arrangement does not change the existing Admissions Arrangements for any school in the partnership.

National Offer Day

The day each year on which Local Authorities are required to send the offer of a school place. For Primary pupils offers are sent out by the Home Local Authority on 16 April 2024.

Ofsted

This is the abbreviated name of the Office for Standards in Education, which is the Government Department responsible for inspecting and producing inspection reports on schools.

On Time application

Complete applications received before 11.59pm on the National Closing Date. These will be considered in the first round of allocations and receive an outcome on the National Offer Day.

Oversubscription Criteria

The Oversubscription Criteria is used to determine which children will be given places if there are more applications than places available at the school.

Oversubscribed schools

These are schools where the number of applications exceeds the number of places available.

Own Admission Authority schools

This is the collective term used within this guide for all schools responsible for their own Admissions Arrangements such as Academies, Free Schools and Voluntary Aided Schools. All reference to 'Own Admission Authority schools' within this guide therefore includes all these schools.

Parent

This includes anyone, including carers, who have Parental Responsibility for a child as set out in the Children Act 1989. All references in this Parents' Guide therefore include carers.

Parental Responsibility

[Parental Responsibility](#) is defined under the Children Act 1989 as being all the rights, duties, powers, responsibilities and authority which, by law, a parent of a child has.

Primary schools

Primary schools cover the Reception to Year six age groups. Some Infant and Primary schools also provide Nursery education.

Undersubscribed schools

These are schools where there are fewer applications than the number of places available.

Voluntary Aided (VA) schools

Responsibility for management is shared between the Council and Church, but with the Church playing a greater role. The Governing Body is the Admissions Authority and its Oversubscription Criteria may be different from those used by a Council. The Governing Body is responsible for allocating school places although they may delegate the function to the Council.

Voluntary Controlled (VC) schools

Whilst responsibility for management is shared between the Council and the Church of England or the Durban Trust, the Council is the Admissions Authority and is responsible for determining the Admissions Arrangements and allocating school places.

Supplementary Information Form (SIF) for:
St John the Evangelist Church School

Note: The oversubscription criteria for the following Bath and Wells Multi Academy Trust schools include one or more faith criterion relating to the regular attendance at a Church or other place of worship: **St John the Evangelist Church School**, Fosseway, Clevedon, BS21 5EL

This Supplementary Information Form (SIF) must be used where a parent/carer chooses to provide qualifying evidence in support of a School Admission Application for one of the above schools. In the event of the school applied for being oversubscribed with applications, the published oversubscription will be applied and all applications placed in ranked priority order. If, in these circumstances, a parent/carer would like a child in their care to be assessed against an applicable faith criterion, this SIF must be completed by the Vicar or Faith leader and signed and submitted by letter post or email directly to the school concerned before **15 January 2024**. Failure to submit a completed SIF by this deadline will mean that the relative faith criterion cannot be taken into account for the child concerned when prioritising admission applications at the preferred school. Where the parent/carer wishes qualifying evidence to be taken into account for more than one of the schools named above, a separate SIF must be completed for each school.

Please be aware that if this SIF is submitted by email, this is an open platform and not encrypted and therefore yours and your child's personal details may not be secure.

Part 1

This SIF relates to the School Admission Application Form submitted on behalf of:	
Child's DOB (date/month/year):	Child's Full Name:
School applied for:	

Part 2

Name of Vicar or Faith Leader completing this SIF (print):	
Church or place of worship:	
Statement:	
<p>I confirm that the child named in Part 1 of this SIF and/or their parent(s)/primary carer(s) has attended a service of worship for which I am responsible at the place of worship named above, at least one day per month and have attended for the twelve months immediately prior to the completion of this SIF and therefore qualifies the requirements of the appropriate faith criterion (criterion number: 3) contained in the Oversubscription Criteria published for the stated school.</p> <p>NB In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.</p>
