## ELAN Opening Worlds Symposium

On Tuesday 21 May 6 children attended the first ever ELAN Opening Worlds Symposium at Weston College. They were joined by representatives from our other Trust schools and special guests from the trust and wider community.

The children were able to showcase their impressive knowledge of history, RE and geography by discussing and sharing their knowledge with others. They were treated to a delicious meal prepared by the catering students at the college and took part in a quiz to test their knowledge against students from other ELAN schools.

As the evening came to a close the children were each given a book from their favourite humanities unit.

The children represented our Banwell family superbly well.

## 24th May 2024

### Year 6 Camp

*During our stay, we experienced multiple activities such as paddle boarding, kayaking, archery, frisbee golf, mountain boarding, high ropes, climbing, adventure course and many more. We were put into rooms and had time to hang about in there with friends. The food was delicious—Isla*

*I really enjoyed camp. I made so many memories with my class. My favourite memory on camp was either eating a really spicy chilli jelly-bean and crying, or rolling down the hill in the bright red sunset—Florence*

*At camp, I enjoyed the lake and swimming around in the water. It was fun spending time with my friends and doing stuff I thought I would never do. The weather was really nice and the instructors were kind and helpful when we were doing the activities—Freya*

*I think camp was very fun. My favourite parts were either the wipeout course or paddle boarding. Also, it was fun when I rolled down the hill in the sunset with my friends. On top of that, the food was amazing—Arthur*
