School Uniform Policy

1. Rationale

We are very proud of our school uniform and believe that it is important for children to have a level playing field during the school day and not feel any pressures to wear the latest fashion or expensive brand of trainer. We believe that wearing school uniform has a positive effect on improving children's attitudes to classroom and general school behaviour. It also creates a collective and individual pride in children and their identification with the school and fosters a feeling of belonging. Our school uniform also provides safety and security for both individuals and groups. This policy has been developed in accordance with guidance from Department for Education.

4. Our school's legal duties under Equality Act 2010

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics which include, race, disability, religion or belief and sex.

To avoid discrimination our school will:

- Avoid listing uniforms based on sex to give pupils the opportunity to wear the uniform they feel most comfortable in.
- Ensure our uniform costs the same for all pupils.
- Recognise that pupil's hair is personal to them and allow them to style their hair in a way that is appropriate for the learning environment but allows them to feel most comfortable.
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents or carers to contact the headteacher who can respond to any request.

5. Limiting the cost of school uniform

We are mindful of the cost of schools uniforms and therefore we will:

- Limit the number of items with distinctive characteristics.
- Ensure school branded items are not a compulsory requirement of the school uniform.
- Ensure all uniform items are affordable for all current and future pupils.
